

DONATION REQUEST FOR WILLIAM REID SCHOOL BIENNIAL OKTOBERFEST FUNDRAISER

**A night of fundraising in support of one of Calgary's only
centrally located public French Immersion Schools**

Dear Merchants and Contributors,

On behalf of over 300 William Reid Elementary School students, we are inviting local businesses to be a part of strengthening our school community by donating items to our biennial Oktoberfest school fundraiser. These donations would be featured in either the live or online silent auction and would be marketed to over 250 Calgary families before, after, and during our event on **Friday, November 21st**, hosted by Last Best Brewing & Distillery downtown.

William Reid Elementary is a public French Immersion school, located in Elbow Park at 36th Avenue and 12th Street SW, and draws students from 27 communities in south central Calgary. Proceeds are used to fund student agendas, teacher resources, school clubs, school events and initiatives organized by school council, and maintenance of the school ground naturalization area; proceeds may also help fund additional library materials, musical instruments, computer/technology/audiovisual equipment, and the Artist in Residence program.

This is the 14th fall fundraiser held by William Reid and is well attended by parents and friends from the community. Your product or service would be marketed to many potential customers within your community. Contributors are recognized in the auction program as well as on our website (<https://oktoberfestyyc.wixsite.com/2025>). You are also welcome to provide material for display on the night of the event.

All donations must be collected by your William Reid contact by Monday, November 17th along with a completed [Auction Item Information Form](#) as well as submission of 2 high resolution photos of your logo or donated item. This form is also available on our site and can be submitted with the photos to our email.

We are very grateful for any and all donations. Thank you for helping us to provide quality educational opportunities for our children and continuing to make William Reid a great school!
Please feel free to contact us if you have any other questions.
